Testimonials

(Over the TOP!)

John and Carolyn: "I came here for the golf, but learning to fly fish was over the top! My only regret was that we had to quit fishing to get ready for dinner. Thanks so much!" **Gary Menton, Intel Corp.**

(Congratulations)

"Your team was great and both advisory boards were highly pleased. You and Carolyn are to be congratulated for the effectiveness of your program." **Dick Shearer, Bristol-Myers Squibb Corp.**

(OUT OF THE BOX)

John, We had a really great time. "Most of our group's comments were 'fly-fishing in Las Vegas?' and you really came through with a fun and great learning experience for us." "Most of all, it provided a much needed break or 'out of the box' activity for our group." Thanks we had a lot of fun! -- **Gigi Ragland Kimpton Group Hotels**

(DIFFERENT)

The team really thought this was a great time and something really different from our normal sales meeting activities. You have a good group of instructors who were helpful and interested in our learning the art of fly fishing. Thanks again for a wonderful time. Regards, **Pete Frederickson, Cargill Corp.** -----Original Message

(ENJOYABLE)

John,
Thanks for a great time! Our entire sales group enjoyed the activity, especially those we had to convince into going because they thought they wouldn't enjoy it. It was a nice diversion from the typical things sales organizations do. Please thank your staff for the outstanding afternoon. **Jim Edwards -- 3M Health Information Systems**
